## PHYSICAL EDUCATION BUILDING NAMED

The Brackeen-Wood Physical Education Building was formally dedicated on May 7, 1988.

May 7, 1988 was a special day for East Central Community College as the physical education building was named in honor of two of the college's most outstanding alumni.

Now called the Brackeen-Wood Physical Education Building, the facility is named for Denver Brackeen, the college's first All American basketball player, and Coach Lucille Wood, regarded as a pioneer in organizing women's basketball for junior and senior colleges and junior college tennis competition.

During the 1952-53 season, Brackeen, a former standout at Hickory High School, averaged 32 points per game and led the Warriors to state and district championships and fourth place finish at the National Junior College Tournament. While participating in the national tourney, Brackeen scored a record 53 points in one game and was selected the nation's most valuable player.

Following a successful career at Ole Miss, he signed a professional contract with the New York Knickerbockers but soon returned to East Central to lead the men's basketball program.

Brackeen's Warrior teams posted 137 wins against 52 losses in seven seasons.

He was later named the first Dean of Students in Mississippi Public Junior Colleges in 1962 and gave up coaching for full-time student service work in 1963.

Brackeen completed 28 years of service on the East Central staff, serving one or more years as coach, guidance counselor, admissions director, dean of students, and academic dean. Twenty-one of those years were devoted to dean of students administration work.

Brackeen advanced through the ranks from a private in the Mississippi National Guard in 1949 to Brigadier General in 1983. He accepted the Assistant Adjutant General's post on a part-time basis in 1983 and became full-time Assistant in 1984.

Brackeen has been chosen East Central "Alumnus of the Year" and was an overwhelming choice to be the first inductee in the college's Athletic Hall of Fame in 1986.

Coach Wood, a Louisville native, is still a member of the East Central staff and has received many honors during her more than 35 years of coaching and teaching.

Miss Wood has been selected East Central "Alumnae of the Year" and was the second inductee into the college's Athletic Hall of Fame in 1987.

Her coaching career at East Central began in 1956 and successfully concluded 32 years later.

Miss Wood coached women's basketball from 1956 to 1985; men's and women's tennis from 1956 to 1976; volleyball from 1966 to 1971; and served as Director of Women's Intramurals from 1956 to 1976.

In 1968, the first basketball tournament for college women since 1954 was held at East Central and Miss Wood's Warriorettes defeated MSCW for the championship.

Under her leadership, East Central women won state titles in 1970, 1973, 1976 and 1979. Miss Wood's squads won division championships in 1976, 1979 and 1980, and she took teams to the Regions Tournament in 1973, 1977, 1978, 1980 and 1985.

Her tennis teams won state titles in 1965 (men's singles and men's doubles), and 1968 (women's and men's singles).

Miss Wood was named National Junior College "Coach of the Year" top twenty and was chosen Mississippi Association of Coaches "Coach of the Year" in 1979. Her name is included in the Who's Who in the Southwest and Who's Who of American Women.

She serves on the Mississippi Junior College Association Executive Committee, which regulates athletics in the state's junior colleges. Miss Wood was also elected Regional Director for the National Junior College Athletic Association.

## FOR DENVER BRACKEEN, LUCILLE WOOD

Miss Lucille Wood and Brigadier General Denver Brackeen share a moment during a reception held in their honor following dedication of the physical education building.

## BILLY WAYNE BAUCUM NAMED TO ATHLETIC HALL OF FAME

The late Billy Wayne Baucum was posthumously inducted into the Athletic Hall of Fame during Homecoming activities held October 10, 1987.

Following an outstanding athletic career at Newton High School, Baucum signed with the University of Southern Mississippi but chose instead to attend East Central.

He was a two-year starter as halfback-defensive back and was named Team Captain for Coach Bobby Oswalt's 1960 squad.

During his sophomore year, Baucum rushed for 750 yards on 153 carries and had 18 pass receptions for 240 yards. He was later named Most Outstanding Back. He was also a defensive standout, as he made 92 tackles.

Baucum was selected to the All State and All American football teams and played in the Junior College All American Game in Albuquerque, New Mexico. During the game he was the second leading offensive player.

Following his career at East Central, where he was elected Mr. ECJC, Baucum attended Louisiana College on a football scholarship and lettered in football and baseball. He was named Outstanding Back his senior year and led the team in rushing and pass receptions.

Baucum later coached at Columbia and Hickory high schools and was an assistant to ECJC head football coach Ken Pouncey from 1967 to 1970.

He was elected Newton County Superintendent of Education in 1982 and served until his death following a heart attack on December 14, 1983. He had just been re-elected to serve another term at the time of his death.

As county superintendent, Baucum also served on the ECJC Board of Trustees.
